

CRISDEE MADJILON TUTOR

crisdeet@gmail.com | 09623239027 | San Jose, Cawa-cawa, Zamboanga City, Philippines | Portfolio: krzzdyy.vercel.app

SUMMARY

Web professional with hands-on experience deploying and managing websites, including domain setup, DNS configuration, hosting, and SSL. Detail-oriented individual adept at ensuring results meet the client's standard without compromising the project delivery date. Basic understanding of website monitoring and domain reputation, including blacklisting and phishing detection. Experienced in both working independently and collaborating with teams. Organized, quick to learn, and comfortable working with web-based tools, Google Workspace, and Microsoft Office.

EXPERIENCE

3PM Brew Website – Business Website (Freelance)

(January, 2026)

- Independently designed, built, and launched a responsive website for 3PM Brew, a specialty coffee shop in Bongao, Tawi-Tawi.
- Developed an interactive menu of drinks with category filters, best-sellers section, a photo gallery, and customer reviews.
- Registered the custom domain through GoDaddy and configured its DNS records to point to Vercel hosting, with SSL (HTTPS) enabled.
- Optimized images (WebP format) for faster loading on mobile and desktop.

Web Development Intern (Team Lead) – Western Mindanao State University, Career and Job Placement Center (WMSU-CJPC)

(January – April 2025)

- Led a team in developing a content management system (CMS) for the WMSU-CJPC website, assigning tasks and coordinating progress to meet deadlines.
 - Built the backend using Python (Django), JavaScript, MySQL, including the database, user login, and content management features.
 - Enabled staff to add, edit, and publish news and announcements without coding.
-
